

# Carver Dual Entry Hard-Top (DEHT) Covers

Quality USA made covers for boats with Hard-Tops or T-Tops

## Cover Features

- Covers the entire boat including the Hard-Top or T-Top.
- Dual zippered entry for easy access when cover is on.
- Hook and loop sleeve sewn in to accommodate VHF antennas.
- Will accommodate a 12" radar dome.
- ¼" Heavy-duty draw rope encased in hem for easy tightening.
- Includes all accessories needed to install cover securely.

## Cover Description

This Carver cover is designed to protect your boat with hard top or t-top (see all 3 styles available below). Constructed using our 8 oz. Performance Poly Guard fabric this cover provides ultimate protection from the elements. The covers sewn in dual zippered entry allows you to access your boat while in storage. A hook and loop sleeve will allow all antennas to exit the cover while provided support poles eliminate pressure to tops equipment. Outrigger mounts, GPS and rod holders are accommodated with this fit-specific cover. Double reinforced bow area provides added strength for your boats pulpit or anchor roller. Fit is designed for single engines with bow rails up to 24". For dual engines simply order the next size up.

# Material Choices

## 7 oz. Sun-DURA

7 oz. Sun-DURA is a 100% solution dyed marine grade polyester. The solution dyeing of this fabric allows it to retain its color and water repellent properties better than any other fabric. The Sun-DURA's 600-denier tight weave offers superior resistance to UV rays, mildew, fading and tearing. Carver's unique finish will allow the cover to breathe while providing exceptional water repellency. Available in 11 colors. 7 year warranty. Made in the USA.

### Color Choices:

## 8 oz. Performance Poly-Guard

100% Marine Grade Polyester. This is our most popular boat cover fabric, known for its high tear strength, extreme water repellency, and excellent fade resistance. 100% breathable, with UV and mildew protection. Available in 3 colors. 5 year warranty. Made in the USA.
